## EXPERIENCE

### Senior Full Stack Developer

#### Feebme

01/2015 - 08/2021 Astana, Kazakhstan

IT company

- While working on Feebme, I have developed large-scale web applications using React, Vue.js and D3.js.
- Managed 50+ client accounts and received 100% satisfaction.

### Full Stack Developer

#### Ruba Technology

02/2008 - 06/2015 Almaty, Kazakhstan

IT company

- I have developed e-commerce sites, social sites, educational sites and gaming sites using Django, Node.js, PHP.
- I could get vast experience while working there.
- Integrate internally-developed micro-services, as well as marketplace 3rd party modules into projects
